# Step By Step Registration and Submission

1. Decide how many projects you wish to submit to LILA.
2. Visit the registration page to begin: <https://landezine-award.com/product/lila-registration-fee-offices/> Select the number of entries/projects you are sending to the jury and click “Add to cart”. On the cart page, check if the number of projects you are submitting matches the number of registration fees. Then click “Proceed to checkout”.
3. On the Check-out page, fill in the form and pay the registration fee. Firms registered in the European Union must fill the VAT ID number. There are three payment options at the end: Debit/credit Cards, PayPal and bank transfer. Invoice will follow immediately after the registration. Wire transfers will take one or two work days usually, so if you are in a hurry, please send us confirmation of payment and we'll send you the folders manually asap.
4. After paying the registration fee, you will receive a link to the zipped submission folders. The link will appear on the screen immediately after your registration is complete, and it will also be sent to the email address you provided. If you do not see the email, please check your spam folder or verify that you entered your email address correctly during registration. Once you have downloaded the submission folders, unzip them and fill them with the required materials according to the instructions.
5. Please mind that only jpeg and jpg images will be accepted. Pdf, png, mp4, gif, bmp, tiff will be ignored. One photo means one image, please don't add multiple photos on one image. You may however put more sections and drawings on one image.

copy/paste the example folder as many times as you need (depends how many projects you wish to send). Leave the project folders that you don't need empty or delete them. If you wish to send only one project, you can do so and leave other folders empty.

insert your order number (from the registration confirmation email) and your office name

don't forget to fill Office data

fill the folders with material and the text file with info required. Repeat for each project you wish to submit.

6. rename the top folder to match “Order Number - Office Name”. Order number can be found in the registration confirmation email, it is a 5-digit number starting with ‘#’. It is important to include the order number so we will know which payment corresponds to your material.

7. Upload the folders via <https://landezine.wetransfer.com> no later than 8 May 2025. You will receive a notification once we download the material. It can take up to 5 days from the submission deadline.

That's it!
