Landscape
Award

Details and step-by-step
instructions for submitting
portfolios to LILA for landscape
architecture students and
young professionals

new in 2024

Monetary Prize

€1250 in total

2024

CALL FOR ENTRIES

Landezine is calling students of landscape architecture and young professionals from the field of landscape architecture to submit their portfolios to LILA – Landezine International Landscape Award.

The age limit for all participants in the Portfolio Award is 36. In other words: only people born after 16 May 1988 can participate.

WHY SUBMITTING?

- Winning portfolios will be promoted in detail on Landezine and will enjoy international visibility
- The winning student or young professional will receive a **money prize of 1250 euros in total** (taxes incl.)
- All shortlisted portfolios will be published on LILA website.
- All shortlisted entries will be promoted on Landezine channels.
- A newsletter to our subscribers (also offices) will be sent promoting shortlisted portfolios.

RECOGNITIONS

Recognition will be given to the most successful portfolio. If there are more portfolios of exceptionally high quality, the number of recognitions may increase. The number of shortlisted portfolios will depend on the quality of the submissions.

JURY

Editors of Landezine will judge the portfolios.

REGISTRATION

Students are individuals with an active student status at any university's landscape architecture department. Entrants will need to attach proof of active student status to the portfolio submission, a copy of a document issued by the university/department and contact of the department administrator.

Young professionals must attach proof of exact age and landscape architecture education.

Each participant can only submit one portfolio.

Registration is successful when the participant has:

- paid the registration fee by any of the three **registration deadlines**
- submitted the material according to the instructions by the **submission deadline**: 16 May 2024

Registration fee:

- **before 14 March: 40 euros**
- **15 March - 18 April: 60 euros**
- **19 April - 16 May: 80 euros**

Submission deadline: Thursday 16 May 2024

To save money, you can register early and submit your portfolio by the submission deadline before or on 16 May 2024.

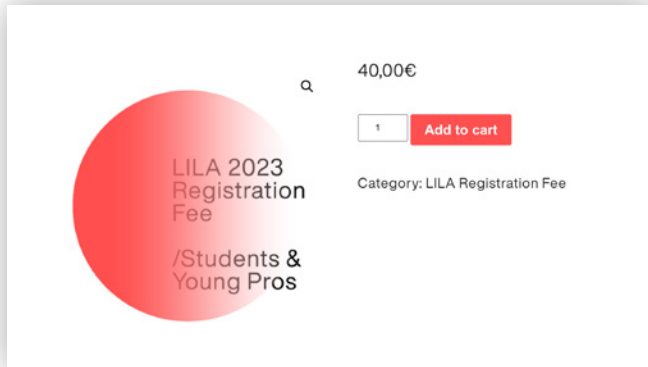

- mid June: Shortlist announced
- late June: Winners announced and promoted on Landezine

STEP BY STEP INSTRUCTIONS

REGISTRATION

1. Pay the registration fee. You can pay the fee here:

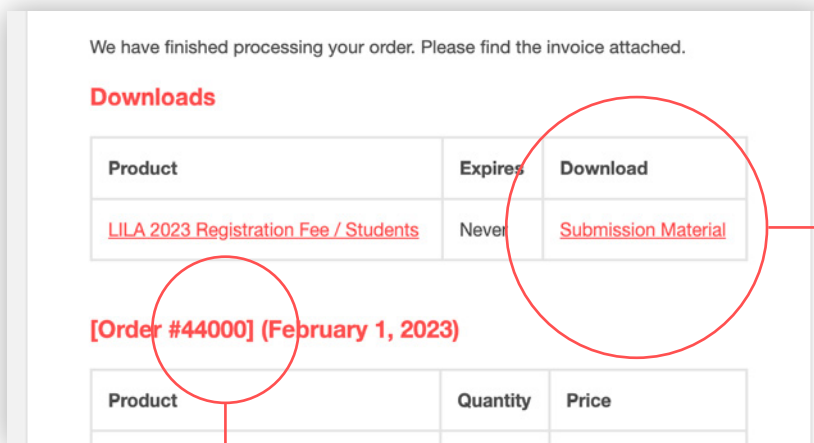

<https://landezine-award.com/product/lila-registration-fee-students/>

Then proceed to the checkout and fill in the information required. Select payment method and make the payment. After we receive the payment, you will receive an email with the folders.

Pay by card or PayPal - if you pay this way, you will receive the submission folders immediately after the payment.

Direct bank transfer - If you will choose this option, you will need to transfer the registration fee to our account via your bank or online banking service. Once we receive the payment or proof of payment, we will send you the submission folders.

contact: lila@landezine.com / +386 40 81 40 04 (9am-6pm, Monday to Friday, Central European Time)

Landezine Media d.o.o. Cigaletova 5, 1000 Ljubljana, Slovenia /

WHAT TO SUBMIT?

The link to the folder will appear after you have paid the fee on <https://landezine-award.com/product/lila-registration-fee-students/>. You will also receive the download link via email after the payment was made. Unzip the folders and fill them with the material.

insert your order number (find it in the registration payment confirmation email, it starts by 44XXX), followed by your name, see previous page

01 Your info - Short basics about yourself, so we can understand if you are more a student or a young professional.

02 Portfolio - Put your portfolio pdf into this folder.

Here are the necessary regulations:

1. all description texts in the portfolio must be **in English**. Older graphic material (such as sections and schemes) may contain texts in another language, you don't need to draw again, but it is good if we can learn what the projects are about.
2. format: **A3, landscape orientation, .pdf**
3. **max-size: 25MB**
4. **maximum number of pages: 25**
5. portfolio must contain your name, and it will get published if chosen. Don't put any sensitive info in the portfolio unless you wish to do so (email, phone etc.).
6. **minimum font size: 10**
7. **IMPORTANT:** Clearly separate your own work from group projects or write which projects are group projects and which are your own. In group projects, you can shortly describe your role (concept, graphics, other ...). For example, if you collaborated on a group project and you were tasked with renders, present your renders only and don't describe the project in detail. We will need to know what YOU did :-)

TIPS:

- Show only your best work, prioritize, select.
- Focus on your own projects.
- In group projects, focus on your own contribution and describe your role.
- Show work that illustrates your versatility and your range of abilities.
- Express your values, what you stand for. You can write a short essay if you wish.
- You may also express your other interests in arts, nature sciences, whatever you think it's relevant and can inform your conceptual landscape thinking.
- If you don't have that many projects to show yet, you are also welcome to include other landscape related visual material (free-time sketches, collages, photos of your models, ideas ...).
- Remember; if chosen, your portfolio may be seen by your future employer.

There is no pre-set layout, design it as you wish.

03 Main image of the portfolio will represent it across Landezine. Probably this is one of the best images (render, collage, drawing) that you have produced. It must be at least 2000 pixels wide and in jpg format. Please don't send tiff files.

SUBMITTING

2. When you're done filling the folders as described above, compress them to zip or rar

3. Send the package to lila@landezine.com via wetransfer.com so you will get a confirmation email from wetransfer once we will download it.

That's it!

Landscape Forms

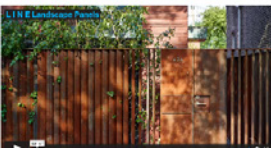

Landscape Forms is the industry leader in integrated solutions of high-design site furniture, enhanced LED lighting, structures, and custom accessories. For more than 50 years we have developed and created solutions that help designers and other clients achieve beautiful, functional landscapes that enhance the experience of outdoor space. Our expertise is in Design, Culture and Craft & we're everything we do.

Landscape Forms solutions include a wide range of elements from adaptive outdoor structures to seating, shelters and kiosks, to site racks and bollards, trees and LED lights. Our solutions are evidence- and experience-based. Via purpose-oriented dialog with the owners and stakeholders to design and sponsor full-scale parking events and pop-up festivals to design and manufacturing products that address the needs of our customers and emerging issues in the landscape. We are a North American-based company that since our founding in 1969 has earned a reputation for exceptional products and service. Our headquarters and primary manufacturing facility are located in Kalamazoo, Michigan. Also part of our brand group was Koenig Design, located in Phoenix, Arizona, and Lot Design, in Duluth, Minnesota. We have sales representatives throughout North America, South America, the United Kingdom, Australia, the United Arab Emirates and Asia and have formed global manufacturing partnerships with select companies that share our commitment to design.
